Dear Friend,

A Place for Hope, Inc. needs YOUR help! Founded by Donna Berry in 2001, A Place for Hope is the non-profit organization whose **mission is to change the futures of at-risk youth by providing educational support, life-skills training, and diverse cultural experiences.** This community is just outside the City of Rock Hill and has been plagued with extreme poverty for over half a century. But the Blackmon Road Community has come a long way thanks to the help of church sponsors like YOU!

There have been countless changes over the years that have improved the lives of many residents in the community, especially in the area of basic needs. A Place for Hope provides a Wash House offering access to safe, clean drinking water, toilets and showers, and cost-subsidized washing machines and dryers for a community of residents who otherwise would not have such access. With the number of days with extreme heat and cold in the summer and winter, we often have utility bills that are difficult to keep up with. Your donations allow us to continue to pay the utility costs of running our Wash House and our “APFH Eagles” After School Program from Monday-Thursday through our partnership with Winthrop University. We also need funding to provide healthy snacks after school and plan cultural excursions with the kids in our regulation-compliant mini-bus.

PLEASE consider sending us a donation now if you are able. And please consider becoming an annual sponsor at one of the levels below. Your sponsorship will enable us to continue to offer access to the basic needs of water and sewer and winter cold and summer heat safety to a community in need.

Thank you for ALL that you have done to support APFH over the years.

Sincerely,

Dr. Jennifer Leigh Disney and Dr. David F. Keely, Board Co-Chairs, APFH
Cleopatra Allen, Donna Berry, Jeannie Haubert, Diane Murphy, Board Members, APFH
